

On November 30th, people all over the world will come together and harness the power of human connection to change our world. Will you join in?

MDUSD Education Foundation is participating in GivingTuesday 2021, and YOU can help unlock matching funds up to \$2500!

Our #GivingTuesday goal is to raise \$10,000 for STEAM programs districtwide, including a very special opportunity for students to create a social justice mural at Olympic High School with professional artist (and former Mt Diablo student) Jesse Hernandez.

[Earn & Learn](#) has generously offered to match every dollar given, up to \$1500, and C&H will match an additional \$1000! **Give on or before November 30th to help unlock the full \$2500 match.**

Will you help? Here are 3 easy ways:

1. **Donate to help unlock the match.** All donations between now and Nov 30th will be matched dollar for dollar up to \$2500. Give any amount at mdedf.org/donate or on the [Facebook fundraiser](#).
2. **Spread the word!** Encourage friends, family, and colleagues to join you. Share on social media what quality STEAM education means to you. Use the special hashtag #MDEDFGIVE and tag Foundation socials in your post to harness the power of social media and connection to help share your story!
3. **Ask your employer if they match donations too.** Some companies even match #GivingTuesday employee donations at \$2 for every \$1 given.

No amount is too small, and every dollar you give directly benefits the students. Together we can ensure all students in the Mt Diablo Unified School District, regardless of zip code, have access to quality STEAM opportunities.
