Annual Giving Campaign  
**GIVE 10**

MDUSD  
EDUCATION  
FOUNDATION

**Ygnacio Valley High School's  
Robotics Team**

Robotics is just one of many programs the MDUSD Education Foundation funds. We would like to expand these opportunities to more students but need your help to make that happen. How many \$10s can you give to help support quality STEAM programs for our students? If you've already donated this year, thank you. We appreciate your support!
