

GIVING TUESDAY

Dec 2, 2020 - Thanks to everyone in the MDUSD community for helping us reach our Giving Tuesday goal! With YOUR support, MDUSD Education Foundation was able to raise over \$10,890 for interactive science programs for students in all middle and high schools in our district. This would not have been possible without YOU. Thank you for your tweets, shares, and posts. Thank you for sharing our mission with a friend. We know that you care enough to support the education of all students, and for that we are extremely thankful.

Creativity was abundant in this year's efforts. Thanks to:

- [Sam Benabou](#) (pictured here on Instagram) and [Corlis Byrd](#) for sharing "Why I Give" video clips,
- teacher Marcy Place for her [video demo of Gizmos](#), and
- Tina Segrove and Tracy Lussier for creating this year's [GivingTuesday video](#).

Businesses were also a key part of this support for local schools. Thank you Earn & Learn for pledging to match up to \$2000 of donations, to Mt Diablo Resource Recovery for pledging \$2500, and to C&H Sugar for giving \$1000.

We are excited to continue building on the momentum of #GivingTuesday 2020. The need in our MDUSD schools is very real this year as our students, faculty, and parents work through the challenges of distance learning. As we approach the end of 2020, we will be sharing stories of how your support has impacted this important work. We also invite you to share YOUR story. If you would like to share your personal story of why you have chosen to support MDUSD Education Foundation please contact Mary at info@mdedf.org.

If you didn't get a chance to participate in Giving Tuesday, not to worry. You can always donate online any time at [mdedf.org](https://www.mdedf.org). Your support is the perfect holiday gift for our students!

Thank you again for joining in on this global day of giving and generosity.

Sincerely,

The MDUSD Education Foundation Board

Mary Gray, Bridget Billeter, Jessica Clark, Rachel Del Carlo-Levy, Ernie DeTrinidad, Anita Johnson, Matt Lovett, Frith O'Steen, Tina Segrove, Sherry Whitmarsh, Aasim Yahya, Advisors Dr. Adam Clark, Cherise Khaund, Linda Mayo, and our new student Board member: Sam Benabou
