

May 1, 2023

Thank you, from Avery.

Thanks to your support, Avery, along with students from Fair Oaks, Sun Terrace and Ygnacio Valley elementary schools were able to experience and explore tide pools at Pigeon Point. For some of the students it was their first time exploring tidepools or even seeing the ocean. This type of outdoor education experience used to be a rite of passage for district elementary students. Today, due to budget and financial constraints, these trips are out of reach for some students. Our foundation is proud to be able to help fund these trips.

Read our latest [2023 Spring Newsletter](#) highlighting some of the other programs your donation helps to support.

As we wrap up this school year and begin to plan for the next, we need your continued support to continue to provide our students with quality STEAM programs and opportunities.

We hope we can count on you, and so does Avery!
