GIVING TUESDAY
Let's build a more just + equitable world through generosity.
@MDEDF.ORG
December 1, 2020

On December 1, people all over the world will come together and harness the power of human connection to change our world. Will you join us?

MDUSD Education Foundation is participating in GivingTuesday 2020, and we need YOUR help!

This year's #GivingTuesday campaign builds on what this foundation has been doing for the past three years, ensuring that all students in the Mt Diablo Unified School District, regardless of zip code, have access to quality STEAM opportunities. **Our #GivingTuesday goal is to raise $8,000 for science** programs for our middle and high school students. These programs can be utilized in remote learning, hybrid and classroom settings.

Plus, Earn & Learn has generously offered to match every dollar given, up to $2000! Give on or before Dec 1st to help unlock this match.

Will you help? Here are 3 easy ways:

1. **Donate to help unlock the full Earn & Learn match.** All donations between now and Dec 1st count. Give any amount at mdedf.org/donate or on our Facebook fundraiser.
2. **Spread the word!** Encourage friends, family, and colleagues to join you. Share on social media what quality science education means to you. Use the special hashtag #MDEDFGIVING and tag our socials in your post to harness the power of social media and connection to help share your story!
3. **Ask your employer if they match donations too.** For example, US Bank is matching #GivingTuesday employee donations at $2 for every $1 given.

EARN&LEARN
Dream Big. Climb Higher

We are in unprecedented times. Now more than ever students need your support, regardless of where their learning is taking place. The $8,000 goal breaks down to roughly $4.00/per student. How many students can you support?

No amount is too small, and every dollar you give directly benefits the students.
