

"Wow, I never knew the universe was so big!"

- 8th grader, Oak Grove Middle School

This is what **you've** made possible with your donations. The entire 8th grades of El Dorado and Oak Grove middle school took field trips to Chabot Space & Science Center this month to learn how to become astronauts! Most of these students had never been to Chabot and would not have had this opportunity without your help.

Gratitude and Annual Campaign Success

As the year draws to a close it's a natural time for reflection on accomplishments, lessons learned and hopes for the future. While having brought STEAM

opportunities to 12,000 district students brings a sense of accomplishment, we know this work has only just begun. We also know that none of this work would be possible without your generous support. We are grateful for your support and look forward to our continued partnership.

Thank you all for giving during our Annual Campaign! Between #givingTuesday and our annual report mailing, your donations totaled \$9,813. This is grassroots in action, truly adding up for students.

More you can do: easy as 1-2-3

1. Share - Please help us grow this community of support. Forward this to a friend.

2. Shop - Support Mt Diablo students at no extra cost to you! [Shop here at Amazon Smile for MDUSD Education Foundation.](#)

3. Match - Does your employer match donations? Ask if your employer will match your donation to double your impact. It is usually a very quick process as most employers offer corporate matching via online portals on your corporate intranet. Typically all you need is:

- Name: MDUSD Education Foundation
- Address: PO Box 5151, Concord, CA 94524
- Tax ID number: #82-3039803

- Date and amount of your gift

A picture (or video) is worth a thousand words...
