

Welcome Back to School!

Can you believe school is starting again soon? Here are a few items to start you off on the right foot. See details below for:

- Friday Aug 9: meet the finalist for MDUSD superintendent
- Saturday Aug 10: attend the district parent conference
- Art & STEM resources for parents and teachers
- First day of school August 15th and district calendar

Thank you for caring about all students in MDUSD schools!

Sincerely,
the MDUSD Education Foundation Board

Superintendent Meet & Greet

Did you know that the Mt. Diablo School Board held interviews this summer, and has chosen a finalist for Superintendent? The School Board will officially vote on this at the August 12th board meeting.

Meet Dr. Robert Martinez, Mt. Diablo Unified School District's Superintendent Candidate Finalist, this Friday.

August 9, 2019
MDUSD Board Room
1936 Carlotta Drive, Concord, CA 94519
3:30 p.m. – 5:00 p.m.
EVERYONE IS WELCOME!

Mt. Diablo Unified School District 2019-2020 Back-to-School Parent Conference

Saturday, August 10, 2019
8:00am to 1:00 pm

Loma Vista Adult Education Center, 1266 San Carlos Avenue, Concord

Educational workshops and exciting keynote speaker will provide valuable resources and tools to help guide you and your children to a successful school year. Children not required to be present.

- Free for all MDUSD families!
- Childcare available for children 3-10 years old. (Space is limited, prior registration is highly recommended.)

- Lunch will be provided for registered participants.
- Free bus transportation provided from Bel Air and Riverview schools (Bay Point).

Online registration ends on August 8th. Walk-ins are welcome on August 10th.

Art & STEM Resources

Don't forget that we have lists of art and STEM resources for parents & teachers! Many of these community resources are free, especially to Title 1 schools.

[Free Art Resources](#)

[STEM Resources](#)

These were shared by hundreds of you in response to Foundation surveys - the art survey was sent in January 2018 to all elementary schools, and the STEM survey went out last fall to all district schools.

Find the complete survey results and our 2017-2018 annual report [here](#).

Stay tuned as our 2nd annual report for 2018-19 will be soon be published as well. Your donations enabled us to launch the Largest Illustrated Story chalk art project, expand classroom Art in Action, pilot "how to be an astronaut" for hundreds of middle school students, and purchase math materials for the STEM magnet school.

School District Calendar

School starts August 15th. Are you ready?

See the [full district calendar here](#).
