Congratulations to Marcie Torres

Marcie Torres is not just an excellent counselor at Shore Acres Elementary. She also excels at running!

At the Break a Sweat race, she won not just one medal, but two! She came in second overall for females and first in her age group.

We can't wait to see the Shore Acres Girls on the Run team next year.

Runners Support Each Other!

William, an MDUSD 5th grader, came in first place for his age division. This was only his second race ever, and Dr. Martinez came over to congratulate his fellow runner on his successful race.

Thank you Dr Martinez for your enthusiastic participation. It was fun to have you and Nancy both join in along with students, teachers, parents and staff from so many schools. See you all next year!

Sincerely,

Mary and the MDEDF Board
